Hello Carmen,

We believe we have incorporated all the changes you suggested to the Deed notice draft we had submitted for the Washington Park Corporate Center project. Mainly the reference to the letters issued by EPA and the conditions of approval of the CAP design contained in those letters.

As discussed over the phone, the deed notice is in an electronic word format in case you want to directly point out issues or suggest changes and that way we can expedite the review process before we finalize it. Also, I have attached pdf copies of the letters that EPA has issued to date for your convenience.

If you have any questions please do not hesitate to call or email me or Dave Regonini.

Respectfully,

Humberto F. Preciado, PhD, PE
